

Aquatica Wardrobe Kit

Moving forward, we will be having a Wardrobe Kit. The items in this kit remain the same from year to year, so if you buy them once you don't have to replace them unless they are worn out or no longer fit! You can sell items that no longer fit to athletes that are buying as well. We will be grandfathering in the wardrobe kits so that no one has to pay the full price all in one season!

Our volunteer Wardrobe Coordinator will be sending out information and taking orders in the fall of each season.
